

3rd Annual Psychological Trauma & Juvenile Justice Conference:

This two day conference had 300 participants from a wide variety of disciplines on each day. It consisted of 5 ½ hours of training each day. This year it was elected to have a Post-Conference workshop with a total of 165 participants. This conference was a collaborative effort of Orchard Place/Child Guidance Center Trauma Informed Care Project, Blank Children's Hospital Regional Child Protection Center, Project LAUNCH, The Lotus Center, and Youth Emergency Services and Shelter.
